Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Friday 19 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mild, but often wet and windy.

This Evening and Tonight:
A cloudy evening with patchy rain. Rain turning heavier and a little more persistent at times overnight, mainly in the west. Remaining quite windy overnight but staying on the mild side. Minimum temperature 9 deg C (48 deg F).

Saturday:
Rain will continue to persist throughout Saturday, heaviest close to the welsh border, and with occasional drier spells across the east. Mild, but tempered by strong southerly winds. Maximum temperature 12 deg C (54 deg F).

Outlook for Sunday to Tuesday:
Occasional rain under grey skies on Sunday, as winds ease. Dry and largely bright on Monday and Tuesday, although turning cloudier and windier again later. Staying mild throughout.
